My Portfolio: <https://goharhanif1.github.io/gohar-portfolio/>

PROFESSIONAL SUMMARY

Import & Procurement professional with 4+ years managing end-to-end international import operations for direct and indirect materials, from supplier sourcing and negotiation through Sea & Air Freight shipment booking, customs clearance, and last-mile delivery. Skilled in applying Incoterms (EXW, FOB, CFR, CIF, DAP, DDP) for cost allocation and risk transfer, Letters of Credit (LC) processing, vendor/quotation evaluation, and trade documentation (Commercial Invoice, Packing List, Bill of Lading/Airway Bill). Experienced in coordinating with overseas suppliers, shipping lines, freight forwarders, and clearing agents to manage vessel/flight schedules, port and terminal activities, and shipment tracking while monitoring freight costs and demurrage/detention risk. Track record of 100% accuracy in LC documentation, cost-efficient vendor comparisons, and on-time delivery across multiple simultaneous shipments.

CORE SKILLS

International Procurement (Direct & Indirect Materials)	Sea & Air Freight Shipment Management	Shipment Booking & Vessel/Flight Scheduling
Customs Clearance & Port/Terminal Coordination	Freight Cost Monitoring & Demurrage/Detention Control	Trade Docs: Commercial Invoice, Packing List, B/L, AWB
Incoterms: EXW, FCA, FOB, CFR, CIF, DAP, DDP	Vendor Sourcing , Quotation Evaluation & Negotiation	Letters of Credit (LC) Processing & Bank Liaison
Freight Forwarder & Clearing Agent Coordination	Regulatory Compliance & Customs Handling	Vendor Ledger Reconciliation
Insurance Coordination (Shipment & Project-Based)	ERP Systems & MS Excel (Costing, Tracking, Reporting)	Documentation Control, Process Improvement & SOP

PROFESSIONAL EXPERIENCE

Supply Chain Coordinator / Officer — Mian Shafiq Business International

2022 – Present

- Managed the complete international import and procurement lifecycle for direct & indirect materials — supplier/vendor identification, sourcing, purchase order processing, sea & air shipment planning, and delivery execution.
- Coordinated shipment booking, vessel/flight schedules, and shipment tracking with overseas suppliers, shipping lines, airlines, freight forwarders, and clearing agents to ensure smooth port/terminal operations and on-time arrival.
- Processed Letters of Credit (LC), including amendments and bank coordination, maintaining 100% documentation accuracy and avoiding delays or penalties.
- Prepared and verified international shipping documentation including Commercial Invoice, Packing List, Bill of Lading/Airway Bill, and other customs-required documents.
- Oversaw customs clearance and coordinated forwarding of imported shipments from port/airport to company premises, ensuring full regulatory and customs compliance.
- Monitored shipment lead times, freight costs, and demurrage/detention risk, proactively flagging delays to internal stakeholders and management.
- Performed vendor and freight quotation comparisons to negotiate favorable rates, reducing overall logistics and procurement costs.
- Applied Incoterms (EXW, FCA, FOB, CFR, CIF, DAP, DDP) in structuring shipment terms, cost allocation, and risk transfer for international transactions.
- Managed insurance processes for shipments and projects, including documentation, coordination, and timely renewals.
- Maintained daily logs for LC, insurance, and logistics records to support tracking, audit, and process-improvement initiatives, using ERP systems and MS Excel.

- Coordinated with finance teams on payments, reconciliations, and cost tracking; supported bonded warehouse and stock handling operations.

Warranty & After-Sales Service Coordinator — MTAX Group of Companies (concurrent role within MSBI's parent group)
Dec 2022 – Present

- Managed end-to-end warranty and claims processing, ensuring timely resolution and compliance with company policy.
- Coordinated after-sales service operations as key point of contact between customers, vendors, and internal teams; liaised with vendors to source replacement stock efficiently.
- Monitored stock and inventory levels based on demand, ensuring adequate availability of parts and materials for claims and service needs.

KEY ACHIEVEMENTS

- Maintained 100% accuracy in LC documentation, avoiding delays and penalties.
- Successfully handled multiple simultaneous international shipments (sea & air) while ensuring on-time delivery.
- Reduced logistics and procurement costs through effective vendor and freight comparison and negotiation.
- Improved process efficiency through structured documentation, tracking systems, and SOP implementation.
